

APS FELLOWSHIP

The APS Fellowship program for 2005 is now on the way. The attached schedule for nomination deadlines is essentially what it was for 2004 unless a specific change was requested. It is assumed that each unit has appointed a fellowship committee of at least 3 individuals to review the nominations. There follows a brief summary of events and important dates that relate to APS Fellowships.

Units appoint fellowship committee	By January 1
APS assigns allocations based on unit membership	By January 15
Nominations submitted to APS	At any time
Nominations sent from APS to Unit fellowship committee	Shortly after deadline (January – May)
Candidates selected by Unit committees reported to APS	By June 15
Candidates reviewed by APS Fellowship Committee	By September 1
Final review of candidates by APS Council	November meeting*
New Fellows and sponsors notified	Immediately after Council approval
Posting of list of new fellows on APS web site	Early December

A Fellowship Page is available on the APS web site (<http://aps.org>) and is maintained with a list of new fellows, nomination procedures, and downloadable nomination forms. Additionally, forms or information related to the APS Fellowship Program can be obtained by emailing fellowships@aps.org, calling (301) 209-3268, or faxing (301) 209-0865.

* Division of Fluid Dynamics, Division of Plasma Physics, and the Topical Group on Plasma Astrophysics is reviewed by APS Executive Board at the September meeting.
