

New 2010 DBP Officers Elected

The Election of new officers of the Executive Committee of the Div. of Biological Physics has been completed.

Our newly-elected officers are

Pupa Gilbert, Vice-Chair (becomes Chair-Elect, then Chair, then Past Chair)

John Bechhoefer, Member-at-Large (3-yr term)

Margaret Cheung, Member-at-Large (3-yr term)

The terms of office begin at the conclusion of the March, 2010 meeting.

Please offer your congratulation to these persons and remember them as resources for your interests in the future.
