Women in Physics (WiP) groups empower students to develop an inclusive scientific community through outreach, networking, and social events.

You can apply for a WiP Group Grant to:
1. start a new chapter on your campus, or
2. expand an existing WiP group

Receive up to $1,000 to grow your physics community!

Women in Physics (WiP) groups empower students to develop an inclusive scientific community through outreach, networking, and social events.

You can apply for a WiP Group Grant to:
1. start a new chapter on your campus, or
2. expand an existing WiP group

Undergraduate and graduate students from the United States and abroad are eligible to apply.

Submit your proposal by November 1, 2019.
