## Experience and Expectations

We would like to learn something more about your expectations, your experience and scientific background. Please, use max 600 words for each field.

Why do you want to attend the APS March Meeting 2021? Specify if you attended the March Meeting in past years.

Please briefly describe your scientific background and your research interests. Provide a brief description of future plans after graduating.

Please describe your volunteer or outreach experience in the scientific community and for engaging a broader audience (for example, teaching, writing science news, volunteering for associations) in your country and globally, if any.

Please describe what do you expect to gain from participating in the APS Meeting.

Please briefly describe your planned budget to travel to the USA.

Please briefly describe any previous experience at the international level, for instance, attending international conferences or workshops (virtual or in person) or participating in exchange programs or visiting laboratories in a foreign country.

List your publications, if any.

List any accomplishment like awards or grants, if any.

---

## How to Apply

Fill out the application form and submit the following documents:

- CV
- Reference letter from advisor
- An abstract (~1,500 characters) of the paper you wish to present at the March Meeting 2021

by **25th September 2020**

If you have any questions, please send an email to the DS Program Chair, Maria Longobardi ([marialongobardi@gmail.com](mailto:marialongobardi@gmail.com)) with the **subject heading, DS Program 2021 March Meeting**.
